

# Comenius Meeting Saarburg

Mapping for Humanitarian OpenStreetMap Team (HOT)

08./12. June 2015

Geschwister-Scholl-Schule

Berufsbildende Schule Saarburg · Hermeskeil

SCHULE NEU ENTDECKEN

## Step by Step

- Open OSM Tasking manager <http://tasks.hotosm.org/>
- Login in with your OSM account on top

A screenshot of a web browser displaying the OSM Tasking Manager interface. The browser's address bar shows 'tasks.hotosm.org'. The page has a red header with the text 'OSM Tasking Manager' and navigation links for 'Über', 'de', and 'whitechristmas 1'. Below the header, there is a search bar labeled 'Suchen' and a sorting dropdown menu set to 'Sortieren nach Hohe Priorität zuerst'. The main content area displays a task card for '#1073 Kaligandaki Landslide - Parbat (High Alert District)'. The card includes details such as 'Author: HOT &amp; Kathmandu Living Labs Volunteers', 'Requesting organization: Kathmandu Living Labs', 'Priority: Urgent', and 'Imagery: Bing and MapBox'. A small world map icon shows the task location. The description states: 'A massive landslide has blocked Kali Gandaki River at Baisari in Bhagwati VDC of Myagdi district early Sunday morning. Nepal Police, through their twitter account, informed that the water level in the artificial dam created after the blockage of the river has risen by 150 meters.' The card also shows '3' users and '0%' progress. At the bottom of the card, it says 'Erstellt von Nirab Pudasaini - Upgedated vor wenigen Sekunden - Priorität: dringend'.

# HOT (Humanitarian OpenStreetMap Team)

## Step by Step

- Choose one task in the list
- Read the instruction and the task
- Choose one of the square

meaning

- grey: not yet done
- yellow framed: in works
- yellow all-over: done
- green: done and checked from anybody

Mapping for HOT

The screenshot shows the OSM Tasking Manager interface for task #1073, titled '#1073 - Kaligandaki Landslide - Parbat (High Alert District)'. The interface includes a navigation bar with 'Beschreibung', 'Anweisungen', 'Mitmachen', 'Aktivitäten', and 'Statistiken'. The 'Mitmachen' button is highlighted. Below the navigation bar, there is a section for 'Aufgabe #30' with a green button 'Mit dem Mappen beginnen' and a text input field for 'Hinterlasse einen Kommentar'. A legend on the right side of the map indicates task status: 'Derzeit in Bearbeitung(3)' (yellow), 'Als unvollständig markiert' (grey), 'Fertig' (orange), and 'Geprüft' (green). A scale bar at the bottom right shows 10 km and 5 mi. The map displays a grid of task areas over a geographical region with labels like 'agbazar', 'Pyüthän', and 'Chakchakpur'.

## Step by Step

- Open JOSM on your personal computer
- Select start with mapping “Start mapping”
- Choose JOSM in the listbox
- After work in JOSM mark it done “Mark task as done”
- Leave a comment if necessary
